1 IN 5 PATIENTS

cannot afford their prescription drugs. For too many patients, the cost of treatment has become an intolerable side effect.

Early in his medical career, Dr. Jardini became sensitive to the plight of patients struggling to afford the cost of medical treatment. With completion of his new book, "Stop the Bleeding! How to Save Money on Prescription Drugs," he has become a strong patient advocate. You can hear Dr. Jardini speak on Sunday, January 14 at 6:00 pm, at the Templeton Hills Seventh-day Adventist Church Fellowship Hall. This will be the first of our new year's health and wellness presentations. Invite your friends to this informative and useful presentation. Please pre-register by calling 459-0817.

WOMEN'S MINISTRIES GROUP -

Creative Hands and Hearts will resume this week at a new time and day. It will be on Wednesdays from 1-5 pm in the Fellowship Hall. We invite YOU to come and join us as we share fellowship while our hands are busy with needlework (of any kind), quilting, scrapbooking or another hobby of your choice. A time for you to work on your favorite hobby or learn a new one as we enjoy great fellowship.

PASTOR STEPHEN

at the San Luis Obispo church is holding a preaching seminar for the next three Friday evenings (Jan 12, 19 & 26). You don't have to preach if you come, but you should come if you preach! Learn who should preach, how to connect God's Word to God's people along with some basic communication skills we can all use. It will start each week at 7 pm and all are invited.
